20 yrs	5+ yrs	200+
Senior management in KSA	Leadership masterminds	Sessions delivered

ABOUT

For nearly two decades Aabid has worked in Saudi Arabia as part of senior management teams, giving him a first-hand understanding of how leadership and communication drive growth in organisations here. For more than five years he has run weekly leadership masterminds, delivering 200+ sessions and helping aspiring managers transform into leaders. He is the founder of Accelerate Influence, whose message is simple: leadership is influence, and we accelerate it.
